

‘Wine is the most civilised thing in the world.’

— Ernest Hemingway —

Our wine list brings you a wonderful collection from regions in Australia, Europe and beyond. Our focus is on aromatic, textural whites and elegant, food-friendly reds.

Just as our menu produce has been meticulously selected, so too has each bottle of wine been thoughtfully chosen. There is a family, a story and a place of beauty behind each wine label and it is our privilege to be able to showcase such producers.

We keep our list relatively small with a focus on matching our wines to our produce-focused dishes. Subtle and delicate Loire Valley Sancerre and young Chenin Blancs pair perfectly with the classics; aged Riesling matches our daily raw selection; Muscadet complements our live oysters; and a glass of a youthful Grenache blend is just the right partner for our Patagonian Toothfish.

We are passionate about the synergy of food and wine and believe this wine selection beautifully complements our fish and seafood menu.

With pleasure,

the
fishhouse

 symbol throughout the list denotes organically ‘minded’ vineyards - meaning they may not have proceeded down the road of certification but their viticultural practises are organic or biodynamic. In saying this, the majority of our list has been selected from boutique producers, making small parcels of single vineyard wines, hand harvested with minimal intervention in the vineyard and in the winery.
